Don Nice, *Sneaker cut-out*, 1978

Gouache sur carton

22,5 x 47,5 cm

Afterwards, I will absolutely go see the Don Nice show again, which opened last Thursday at **Galerie Catherine Houard** (15, rue Saint Benoit 75006, +33 9 54 20 21 49, catherinehouard.com). This American pop artist, now in his eighties, did, among other things, some of the most impressive watercolors of our time, mixing pop items such as sneakers, candies and Coke bottles with glorious landscapes, mostly of the Hudson Bay. Love 'em!
